Well Done Bullimbal P&C

Just fantastic to be now discussing the construction of our new shade structure over the playground equipment with the P & C and looking at our preferred company.

Fund raising can be a very difficult proposition so congratulations to our P & C over the past few years who have worked so hard to raise funds to build the shade structure. All going well this project will be completed by the end of our first week in term 1, 2014.

Assisted School Travel

A reminder that if your child is not attending school for the day or you are picking them up from school to please let the driver and/or transport officer know your plans.

A phone call to Fiona’s Minibus on 6760 9084 is the best way to let your child’s transport officer know of the change of plans.

P&C Working Bee

The P&C will be holding a Working Bee in our school sensory garden next Tuesday 26th November at 9.30am, so put on the working clothes and gloves. Morning Tea Provided!!!
Kinder Orientation

For three Wednesday mornings starting last week our three new Kinder students for 2014 have, with their parents, been getting to know our school.

They are Thomas Dunn, Matthew Gillian and Thomas Webb. Thanks to our parents Marie Barder and Simone Michell who have been telling our new parents about life at Bullimbal.

Outing For Lunch

On Wednesday November 20, Greg and Martin took their classes to the Bistro at the Southgate Inn for lunch. Everyone had a great outing.
Meals our students ordered from the bistro included: chicken nuggets, burgers, curry, fish, crab and chips with gravy. We walked safely along the footpath to the hotel and back afterwards.

Cricket Kit

Our thanks to Tamworth Rotary who have donated a cricket kit to our school following the extremely successful 'Dream Cricket' day, held earlier this term.

So Bullimbal students are now busily getting ready for the Ashes series!
Youth Links students from TAFE presented 3 Cajon drums they made for Bullimbal students. The TAFE students demonstrated playing the Cajons and assisted our students to explore using the drums.

THANK YOU TAFE FOR YOUR GENEROSITY.
